Early intervention for children with disability

SPORtED

PREPARATION FOR TEAM SPORT

DOES YOUR CHILD...

- need help staying with a group of children?
- find following group instructions difficult?
- find running, kicking, throwing hard to do?
- find it difficult to join in active play?
- seem unsteady on their feet?

Would you like support to help your child to join in local sporting programs?

EarlyEd's SportEd program includes:

- a 1 hour planning session and,
- 8 weekly group sessions.

Your family is involved in the group sessions and learns together.

Intervention and therapy to help your child be active, develop social skills and be ready for sport.
