children with disability

# Hanen® Parent Training Programs

Equipping You With the Tools Needed  
to Help Your Child Reach Their  
Fullest Communication Potential

## 12 Week Hanen® Speech Language Programs — Term 1, 2019

Don't miss the world-renowned **Hanen® speech pathology programs for parents** - helping you help your child communicate. These **12 week intensive programs will commence 4th March 2019** at our North Sydney centre and are led by EarlyEd's Hanen® certified speech-language pathologists with the aim of equipping you with the tools needed to help your child reach their fullest communication potential.

- **TalkAbility®**  
For parents of verbal children on the Autism Spectrum.
- **More Than Words®**  
For parents of children with Autism Spectrum Disorder or social communication difficulties.

**WHERE:** EarlyEd - 3 Cunningham Street, North Sydney

**RSVP:** For more information including full program dates or to book, contact [services@earlyed.com.au](mailto:services@earlyed.com.au) or (02) 9923 2727

*Families can use NDIS, Medicare, HCWA/Better Start or private funding to cover the costs for the full 12 week program. No child care available.*
