

LANGUAGE AND LITERACY THROUGH MUSIC

July 2019

Intensive School Holiday Group Program — North Sydney

Singing, dancing and drama at our July holidays Language and Literacy through Music group! Your child will learn new skills, build their literacy and language skills while singing, dancing and acting out favourite stories.

Is your child more involved in learning when there is music?

EarlyEd's Language & Literacy Through Music holiday group program:

- Uses music to support language and literacy learning
- Provides opportunities to practice language in a social environment
- Keeps learning easy and fun.

The program includes:

- One individual goal setting appointment to discuss your child's individual speech and language goals.

**Home visits will incur a travel cost*

- Three 1.5 hour group sessions for your child and family.

The group provides strategies to help you keep practicing your language goals across the day at home, while enabling you to adapt the program to support your child's other developmental areas.

Early intervention for children with disability
