# Hanen® Parent Training Programs

Equipping You With the Tools Needed  
to Help Your Child Reach Their  
Fullest Communication Potential

## Hanen® Speech Language Programs Information Session — May 30, 2019

**EarlyEd delivers Hanen® intensive, individualised speech language programs for parents.**

Join our upcoming refresher session if you want:

- To update your Hanen® skills.
- To find out about More Than Words®
- A refresher session for those who've done More Than Words®
- To get ready for other Hanen® programs such as TalkAbility®

Hanen® programs equip you with the tools needed to help your child reach their full communication potential and continue to support this development in their future. Our programs are led by Hanen® certified speech-language pathologists.
