Building Skills for School — In the Classroom and Playground
3 Day School Holidays Program — Kingswood

July 2019

Through group inside game activities we will be focussing on building the individual skills for listening, attending and following directions in our July holidays School Skills group.

Offering a fun group experience for school aged children and pre-schoolers who are about to start school. The program aims to foster skills in the developmental areas your child needs including:

- Following instruction
- Sharing information
- Joining in with other children
- Physical skills (fine & gross motor)
- Self help skills
- Independence and confidence

The program includes:

- One individual planning session (1 hour)
**Home visits will incur a travel cost*
- Three group sessions (1.5 hours each).

The program is run by special educators, occupational therapists and speech pathologists to support children and families.
