

Early intervention for
children with disability

EARLY LEARNERS GROUP FOR YOUNG CHILDREN

Get ready for learning at home, preschool,
childcare and in the community!

A social setting with music, language and play activities and opportunities for families to connect.

Fostering skills in all developmental areas, supporting individual goals and helping families to be able to encourage learning.

Staffed by qualified educators and therapists.

To find an Early Learners group in your area, email services@earlyed.com.au or speak to staff at your nearest centre:
