Does your child need extra help practicing the skills they need to support their learning?

The program is developed by special educators, occupational therapists and speech pathologists. It is a structured program focusing on your child's individual needs at school offered in a way that is creative and supportive.

This group supports children to:

- focus and concentrate
- share ideas
- join in with other children
- be independent
- develop motor skills

The program includes:

- One individual goal setting session (1hr)  
*\*Home visits will incur a travel cost*
- Three group sessions (1.5hrs each)

Early intervention for  
children with disability

*\* The cost can be covered using NDIS, HCWA/Better Start, private health insurance, Medicare & private funds.*
