

Early intervention for
children with disability

I am worried about the big switch from childcare to school. What happens if my child can't cope? How will my child join in if they can't talk? How can I help my child be accepted at school?

These workshops will give you a tool box of strategies to help you, help your child manage starting school.

IS YOUR CHILD STARTING SCHOOL IN 2022 OR 2023?

FOR FAMILIES OF CHILDREN WITH A DISABILITY OR DELAY IN THEIR DEVELOPMENT

Join this program to help you address your child's individual transition to school needs.

This 6 Week Online Program for Parents will cover:

- Individual pre-program session.
- 7 Oct Online workshop: New environments, new routines, new people! How can I work together with the school to make sure my child settles in well?
- 14 Oct Online workshop: How do I coordinate my early intervention team to help my child be ready for starting school?
- 21 Oct Online workshop: Getting ready for the playground and making friends. Preparing my child.
- 28 Oct Online workshop: Ongoing support and communication. Developing a plan with school to make sure my child continues to be supported and learning.
- Individual post-program session.

We have designed this program based on the topics you are saying that you are concerned about. We know what information supports families to help their children be ready for school. You will get the most out of the program if you can have the individual sessions before and after the workshop series. We can then make sure we address your individual questions and your child's needs. Dates for the pre and post sessions will be organised individually.

WORKSHOP DETAILS: Thurs 7, 14, 21, 28 October 2021 from 7pm–9pm

The costs of this program can be covered using NDIS funding.

Cost: \$908.70* (includes pre & post individual sessions, and 4 workshops)

**Based on NDIS pricing*
