

Is your child starting school soon?

Bringing you ideas to prepare your child to be ready to start school.

The usual starting school preparation experiences are impacted by COVID-19 restrictions. This webinar can help you to fill in any gaps and find out what you need to think about in the final steps before starting school.

This webinar will be for families of children of all abilities.

Topics covered will include developing:

- Independence and self help skills
- School readiness
- Social/emotional skills
- Connecting with your school

EVENT DETAILS:

Tuesday 9 November 2021 from 7:00PM – 8:30PM
Bookings Essential.
