

cubby house toy library

**PLAY is a GREAT way to SUPPORT
YOUR CHILD'S DEVELOPMENT**

An inclusive toy library for the Northern Sydney community

EarlyEd's Cubby House Toy Library has a wide range of toys and games suitable for children aged from birth to primary school age.

These toys provide children with fun opportunities to practice many developmental skills such as gross motor, fine motor, cognitive and language skills.

Volunteers help support the library. Qualified early intervention teachers and therapists can be available, by appointment, to help parents select suitable toys and find ways to support play.

**Intervention for children with disabilities,
their families and community...**

Find us at the rear of Forestville Senior Citizens Centre
Cnr Starkey Street & Warringah Road, Forestville
