

Is your child a late talker? Concerned?

Helping Parents and Carers build their children's expressive vocabulary.

The program runs over 10–12 weeks.

ONLINE PROGRAM DATES:

TERM 3: Wed 12–2pm, 1 Aug–28 Sep 2022

TERM4: Wed 12–2pm, 12 Oct–30 Nov 2022

COST: FREE

(funded under Start Strong Pathways)

- Before the program begins: 1 individual consultation with a Hanen Target Word Certified Speech Pathologist
- Five small group sessions with other parents
- Two individual video feedback sessions with the Speech Pathologist to review and discuss how your use of the Target Word strategies is progressing
- A follow-up session after Session Five

IS THIS YOUR CHILD?

- hasn't started childcare yet
- under 2.5 years
- living in Northern or Western Sydney
- is a late talker i.e. communicates messages to you but does not use as many words as other children their age.
- understands what you say, can take turns and play but not using as many words as you would expect
- vocabulary is limited and they are not using multiple two-word combinations

...then Target Word might be right for you.

What will Target Word look like?

- How to introduce new words and ideas into playtime and other activities.
- How to join in their child's play and favourite activities in ways that help their child use new words.
- How to set up activities so their child can learn new words.
- Support from other parents of children who are late talkers
