

# STEPPING STONES TRIPLE P SEMINARS

**Mealtime tantrums? Bedtime battles?**  
**When you're the parent or caregiver of a child with a disability, sometimes life can be extra challenging.**

Stepping Stones Triple P is designed specifically for parents of children aged 2 to 12 years with additional needs and can help to reduce emotional and behavioural problems in children. The seminars tackle the most common issues for parents of children with a disability. Each seminar takes just 90 minutes and you can choose to do one, two or all three. All you need is a tablet or computer to join these seminars! Never done an online seminar? Don't worry! We will talk you through it.
