

Equipping and Empowering Teachers to support all children and build inclusive classrooms

PROFESSIONAL DEVELOPMENT: SCHOOLS

EarlyEd's professional development in schools focusses on establishing:

- what the specific needs are of the school
- delivering training in a way that will capacity build teachers and
- supporting them to readily implement tools and strategies.

Our training and workshops translate current evidence-based approaches and knowledge in education, inclusion, disability and early childhood intervention best practices.

EarlyEd's Training Package: More than just a workshop!

We plan, with you, practical relevant training, and support and resource your teachers to implement strategies in your classrooms.

PLANNING SUPPORT:

Co-design consultation recognises what you need and how to make it work for you.

CAPACITY TEAM BUILDING:

Boost confidence, skills, and inclusive practices through mentoring and coaching.

FLEXIBLE TRAINING DELIVERY:

Multiple formats available including online lunch time chats, and evening and day sessions, at school.

ONGOING SUPPORT:

After the training we support you to implement what you have learnt.

TEACHING STANDARDS:

Design a program that meets the teacher standards your staff need.
